

DECOGEAR[®]

49" CURVED ULTRAWIDE MONITOR

DGLUMIERE49

- Keep the monitor away from water sources or damp places, such as bath rooms, kitchens, basements and swimming pools.
- Make sure the monitor is placed on a flat surface. If the monitor falls down, it may cause human injury or device damage.
- Store and use the monitor in a cool, dry and well ventilated place, and keep it away from emission and heat sources.
- Do not cover or block the vent hole in the rear casing, and do not use the product on a bed, sofa, blanket or similar objects.
- The range of the supply voltage of the monitor is printed on the label on the rear casing. If it is impossible to determine the supply voltage, please consult the distributor or local power company.
- If the monitor will not be used for a long period, please cut off the power supply to avoid electric shock in rainy days and damage due to abnormal supply voltage.
- Please use a reliable earthing socket, do not overload the socket, or it may cause fire or electric shock.
- Do not put foreign matters into the monitor, or it may cause short circuits resulting fire or electric shock.
- Do not disassemble or repair this product by self to avoid electric shock. If faults occur, please contact the after-sales service directly.
- Do not pull or twist the power cable forcedly.
- There is a polarizer layer (not a protective film) on the surface of the screen. Do not peel it off, or the product may be damaged and the warranty will be invalid.

Packing list

- Please check that the package of the monitor contains all parts. If any part is lost, please contact the distributor.
- The color and shape of parts may vary with models. Figures in this User Manual are for reference only.
- Wires supplied may vary with purchased products. Figures in this User Manual are for reference only.

Monitor

Stand

Base

Mount hexagon irons x 4
(for wall mounting)

Screw x1pcs

DP cable

Power adapter x1

Instructions

- Redundant screws can be used as spare screws.

Installation of base

Simply hold the stand with hand to stand the monitor upright.

⚠ Note: During standing of the whole monitor, do not press the liquid crystal screen with hand to avoid damage to the screen.

1. Place a clean, dry and lint-free cloth on a flat, stable surface.
2. Gently lay the monitor on the cloth with the screen facing down.
3. Identify the four wall mounting screw holes on the back of the monitor.
4. Install the wall mounting bracket (not provided) on the back of the monitor and attach the monitor to the wall according to the mounting bracket's instructions.
5. Ensure that all screws (not provided) are tightened and secured.

Screw 4 pcs stud (stud spec: M3, hex standoff, length $\geq 12\text{mm}$) into vesa hole and then connect the wall mount with the 4 stud. Vesa standard is 100*100mm.

Notes:

- Use a wall mounting bracket and screws that conform to VESA standards. Ensure that the box fits appropriately.
- For more information, please refer to the user manual for the wall mounting bracket.
- This monitor model does support wall mounting, however, due to its size, it is recommended to use a stand.
