

DECOGEAR®

27" OLED Curved Ultrawide Monitor

SKU: DGOLED27

World-class monitors, customer-first approach.

About Deco Gear

We believe that cutting-edge technology should be accessible to everyone. We're dedicated to designing and delivering high-quality monitors and peripherals that elevate your everyday experiences—whether you're a professional, a gamer, or simply enjoying the finer things in life.

Who We Are

Deco Gear is more than just a brand; we're a team of tech enthusiasts, creators, and innovators who are passionate about enhancing the way you interact with technology. Since our inception, our mission has been to provide top-tier products that combine performance, style, and value. We understand that in today's fast-paced world, you need gear that keeps up with your lifestyle without breaking the bank.

Our Promise

Quality and customer satisfaction are at the heart of everything we do. We're committed to delivering products that meet and exceed your expectations. Every Deco Gear product is backed by our 1-Year Manufacturer Warranty, ensuring that you can purchase with confidence. Our responsive customer service team is always ready to assist you, making sure that your experience with Deco Gear is nothing short of exceptional.

Visit **decogear.com** for more product support.

Precaution

Before using this product, please read this User Manual carefully

- Keep the monitor away from water sources or damp places, such as bathrooms, kitchens, basements and swimming pools.
- Make sure the monitor is placed on a flat surface. If the monitor falls down, it may cause injury or device damage.
- Store and use the monitor in a cool, dry and well ventilated place, and keep it away from emission and heat sources.
- Do not cover or block the vent hole in the rear casing, and do not use the product on a bed, sofa, blanket or similar objects.
- The range of the supply voltage of the monitor is printed on the label on the rear casing. If it is impossible to determine the supply voltage, please consult the distributor or local power company.
- If the monitor will not be used for a long period, please cut off the power supply to avoid electric shock in rainy days and damage due to abnormal supply voltage.
- Please use a reliable grounded socket, Do not overload the socket, or it may cause fire or electric shock.
- Do not put foreign matters into the monitor, or it may cause short circuits resulting fire or electric shock.
- Do not disassemble or repair this product by self to avoid electric shock. If faults occur, please contact the after-sales service directly.
- Do not pull or twist the power cable forcedly.
- There is a polarizer layer (not a protective film) on the surface of the screen. Do not peel it off, or the product may be damaged and the warranty will be invalid.

Package Content

Packing list

- Please check that the package of the monitor contains all parts. If any part is lost, please contact the distributor.
- The color and shape of parts may vary with models. Figures in this User Manual are for reference only.
- Cables supplied may vary with purchased products. Figures in this User Manual are for reference only.

Installation

Installing the Base

1. Open the package and take out the monitor with foam still attached. Gently place it face-down on a desktop or table. Remove the foam covering the monitor.

2. Take out the stand stem and base, and secure them with thumbscrews.

3. Align the base and stand components assembled in Step 2 to the slot of the machine and clip them. (Note: Slide the quick disassembly button up with fingers to take out the base and stand components)

4. Grasp the bracket with your hands to place the monitor upright (Note: In the process of placing the monitor, please do not directly grab the screen with your hands to prevent the screen from breaking).

 Note: When placing the monitor, do not press the liquid crystal screen with hand to avoid damage to the screen.

Mount Installation

1. Open the package and take out the monitor with foam still attached. Gently place it face-down on a desktop or table.

2. Remove the upper foam without the monitor leaving the lower foam. Lock the four mount studs into the screw holes of the rear shell.

3. When mounting the product, avoid pressing directly on the screen to prevent damage.

Tip: The mount size for this monitor is 75x75mm.

⚠ Note: In order to prevent the monitor from falling when it is used on a wall, please install it properly and use safety protection. Do not place or hang any objects on the wall bracket, and the wall height should be within 2 meters.

Adjustment of monitor

Rotation angle
($\pm 25^\circ$)

Vertical angle
90°

Tilting angle
($-5^\circ - +20^\circ$)

Height adjustment
(0- 120mm)

Instructions for use

Button Description

Button	Function
1	Center button: Confirm key or access the main menu.
2	Left button: Exit or return to the previous menu.
3	Down button: Move down in the menu or select turn off the monitor.
4	Right button: Quickly adjust the Picture Mode.
5	Up button: Move up in the menu or quickly adjust the Brightness.

Indicator Light

Indicator light: A steady blue light indicates that the power is on and the monitor is operating normally.

A flashing blue light indicates that there is no video source or signal, or that low voltage is detected. Make sure your computer is turned on and all video cables are fully plugged in and/or connected.

Cable connections:

* The bottom interface configuration at the back of the monitor varies with products.

* Note: If the power cable or signal cable is damaged, you must replace it with special soft cables or special components purchased from the manufacture or maintenance department.

Manufacturer's 1-Year Limited Warranty

The manufacturer warrants that all parts and components are defect free in materials and workmanship for 1 year. This warranty is valid only in accordance with the conditions set forth below:

1. The warranty extends only to the original consumer purchaser and is not transferable. In addition, proof of purchase must be demonstrated.
2. This limited warranty is the only written or express warranty given by the manufacturer. Any implied warranty of merchantability or fitness for a particular purpose on this product is limited in duration to the duration of this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
3. This warranty gives you specific legal rights. You may also have other rights which vary by state.

Procedure for Replacement or Return within the 1 Year:

To return the product for replacement or refund within the 1 year, the original purchaser must pack the product securely and send it postage paid with a description of the reason for replacement or refund, proof of purchase, and include your order number on the package, to the following address:

Deco Gear
80 Carter Drive
Edison, NJ 08817
